

Oracle 1: Dreams, Nightmares, & Mystical Visions

1	Talking bear that worries about all the holes in the tress of their forest	20	A skeleton caring for the sick and poor; its armor is made of vines and moss	39	Green lake from which small vines seem to grow and spread across the land
2	Pig god ruling over a pit of slop; it eats nothing but royal jelly	21	Exactly 430 children ringing wind chimes at the edge of a great cliff	40	Lamb suspended in the air, reciting the alphabet backwards
3	Heavenly castle floating in space	22	Praying mantis with burning coal for eyes	41	Rain that melts stone and sears flesh
4	Legendary battle that crawls to a standstill; suddenly everyone vanishes except you	23	A flame frozen in ice, but still hot to the touch	42	Hive of bees filled with animal meat; the bees are docile
5	River of blood that splits in two: one river remains blood, the other turns to milk	24	Cornfield trembling under moonlight, something dark moving in the stalks	43	A completely in tact blue egg with a flower growing from it
6	Mound of skulls littered with living butterflies	25	Goat reciting the laws of the land; it begins to choke and wheeze uncontrollably	44	An angel reciting the names of common, harmless (to humankind) insects
7	Dying sun that turns black and pours water onto the land	26	Large silver disc hovering in a forest clearing	45	A demon holding a lamp in its mouth while mending boots
8	Hydra crowned with many jewels; it speaks pleasantly to your closest friends	27	Mother feeding stars to her children; they begin to float in the air	46	Three boats at sea: two are sinking, the third is is perfectly still and made of ivory
9	Flooded valley filled with ashy water and glowing red rock	28	You see a golden cloth being woven from thin air; no weaver can be seen	47	Headless cleric pouring water down their neck; no water spills out
10	An eye opening in a person's chest; it closes whenever you look directly at it	29	Desert suddenly growing grape vines out of the sand	48	A tower filled with candles; you realize the tower is made of wax as you approach
11	Plague of leeches on your homeland; every living thing they touch turns white and blue	30	Castle walls cracking and revealing piles of bones inside	49	A lamp burns in an under water cave surrounded by rusted weapons
12	Earthquake that swallows entire cities; no one around you remembers they are gone	31	Door hanging in the air that opens into a small icy cave	50	You emerge from your home naked; no one notices, but you feel ashamed
13	Pale pink light that shines from the sky on an empty plot of flat, unremarkable land	32	Two lovers merging into a single flesh and turning to stone	51	Massive explosion like a fireball that emerges from the mouth of a singing priest
14	Three siblings joined at their shoulders; they hold three conversations at once	33	Cave that emanates the sound of howling wolves and gushes hot air	52	Child riding a bull made of wood and iron; the child's eyes are closed and it is calm
15	Skull filled with light begins laughing, then sobs uncontrollably	34	Stag crowned with a pentacle among its horns; it sees you and then looks to the sky	53	You follow someone in bright red clothing; they notice you and vanish into thin air
16	Flapping of giant dragon wings over rough water; the dragon growls your name	35	Owl with fire for wings flies from a snow-covered tree, dives at your head	54	The smell of baked bread accompanied by visions of trembling mice
17	Singing tree; you know the song, but only remember the words "neath rolling sky"	36	Cup that never fills no matter how much fluid is poured into it	55	Field filled with gray flowers; you see your mother there and she looks lost
18	Waterfall that makes musical sounds; smoke pours from a cave behind it	37	Orb that projects the image of your family on the sky	56	Your partner tells you to run from an unseen pursuer; they scream as you depart
19	A child laughing at a horse; the horse laughs back, then gallops at you	38	An orange peel that grows insect wings and attempts to fly away	57	Green beetle emerges from a dung pile and lays a jade peacock brooch at your feet

58	Food falling from the sky; you find that the tiniest bite fills you completely	72	Flooded room filled with carvings of farm animals	86	Two people pull endless scrolls from their mouths; each line names a past misdeed
59	Blue crabs emerge from the sea; their shells are unbreakable and they eat everything	73	A bowl of blood that slowly overfills until a human heart spills out	87	Fruit that bleeds and then reabsorbs the blood; it tastes of vanilla
60	Bleeding wound that never stops; small pebbles flow out on occasion	74	Jungle filled with human creatures crawling like animals	88	Mad king throwing himself into the sea; he sings a familiar tune as he falls
61	Crack in the sky with darkness on the other side; something dim swims in its depths	75	City populated by animals sleeping in human beds	89	You are attracted to a person made of various flora; they beckon you to the forest
62	Falcon god chained to the earth; it repeats a phrase: "one way out; two worlds"	76	A skeleton in green armor that is covered in vines and moss; it points east	90	Elder person watering stones that grow trees; the tress all bow to them
63	The alignment of many planets and moons accompanied by a whisper: "it's opened"	77	Glowing mushrooms growing from the stomach of a dead ox	91	Smoking pipe that billows animal shapes; someone says "they are real"
64	The shadow of a hammer on the sky, it grows until it blots out the sun	78	Rainbow that drips color into the soil and grows small black flowers	92	Orphan with two weapons in their hands: a sword and an arrow. They eat the arrow.
65	Wheel emerging from the ocean; it spins and forms the image of a barn swallow	79	Apple orchard consumed by flies; three royal figures converse amid the swarm	93	A king and queen play chess, but the bishops are black onyx pillars that melt
66	Sick animal with a sword in its side; it looks at you and cries "sunset!"	80	A forge stoked with leather and wool; the steel that comes from it is unbreakable	94	Someone shows you a compass; the cardinal directions all vanish from its face
67	Snake wrapped around a child; the child grabs it and bites its head off	81	Woman holding a serving platter with her eyes upon them	95	A stairway that leads into the clouds, where a terrible storm lashes at its stones
68	A bright humming sound accompanied by visions of colorful shapes	82	A lion licking the face of a pregnant woman; she calls it "my cabbage"	96	A fox licks the fur of a living rabbit; a hunter kills the fox and says "all in order"
69	Man eating his own feet and laughing; he is held aloft on an elephant's trunk	83	A dove tangled in thorns and brambles; there is a ring in its mouth	97	Your father hands you a basket full of rose stems; the thorns are caked in mud
70	Dragon perched on a pile of compost; it claims to be the richest dragon in the land	84	Hourglass that runs in reverse and spins in place	98	You follow a rainbow to its end; there you find an empty cupboard and shredded cloth
71	A relative's silhouette, their profile seemingly filled with flower petals	85	A beggar with glass hands complains they cannot hold the coins offered to them	99	Horse with wings and a tail both made of paper, on which your name is written
100	The sun explodes and casts gigantic red ribbons across the sky. They burn all who touch them, except for you. You awake certain that you are destined to witness the end of the world.
